

LAPTOP WARRANTY CERTIFICATE

Product Name: Latitude 7420 Business Laptop

Serial Number: LT-9845739201

Date of Purchase: 2024-07-15

Warranty Valid Until: 2027-07-15

This certificate confirms that the Latitude 7420 laptop is covered under the standard 3-year limited warranty program provided by TechPro Systems.

Warranty Coverage Details:

The following components are covered and eligible for warranty claims under normal usage conditions:

- Motherboard
- RAM Modules
- CPU (Processor)
- Solid-State Drives (SSDs) / Hard Drives (HDDs)
- Internal Cooling Fans
-

Display Panel (non-accidental damage)

- Keyboard and Trackpad
 - Wireless Network Card
-

Non-Claimable Components:

The warranty does not apply to the following components:

- Battery (warranty limited to 12 months from purchase date)
- External Adapters and Charging Cables
- Cosmetic Damage (scratches, dents, paint wear)
- Accidental Damage (liquid spills, drops, burns)
- Unauthorized Hardware Upgrades or Modifications
- Pre-installed or Third-Party Software Issues

Terms and Conditions:

1.

Warranty is void if the laptop has been tampered with, repaired, or opened by unauthorized service personnel.

2.

Claims must be submitted through the official TechPro Warranty Portal with proof of purchase.

3.

Replacement of parts will be done with new or refurbished components of equivalent quality.

4.

Damage caused by electrical surges, fire, theft, or natural disasters is not covered.

5.

International warranty claims may be restricted to specific regions.
